UNIVERSITY OF MALAYA

# THE JOURNAL OF TROPICAL GEOGRAPHY

## SUBSCRIPTIONS

The back issues of the Journal are available, post free, on payment in advance at the rate of Singapore/Malaysian \$10.00, or U.S.\$5.00, per copy. Correspondence regarding the sale of back issues should be addressed to

The Business Manager  
*The Journal of Tropical Geography*,  
Department of Geography,  
National University of Singapore,  
Singapore, 0511.

## MEMBERS OF THE EDITORIAL BOARD

Prof. Ooi Jin Bee, M.A., D. Phil., Director & Editor

Tunku Shamsul Bahrin, B.A., M.A.  
Chia Lin Sien, M.Sc., Ph.D.  
Khoo Soo Hock, B.A., M.A.

John W. Humphrey, B.A., Ph.D.  
Voon Phin Keong, M.A., Ph.D.  
Wong Poh Poh, M.A., Ph.D.,  
Business Manager

The following subject classification is used for each of the above region:

- General
- Agriculture
- Biogeography
- Climate
- Economic development
- Geomorphology
- Historical geography
- Hydrology
- Land utilization
- Medical geography
- Minerals and mining
- Political geography
- Population and settlement
- Soils
- Transport and communications
- Urban geography

# REGIONAL AND SUBJECT INDEX

## THE TROPICS — GENERAL

### *Economic Development*

Growth poles and growth centres with special reference to developing countries — a critique (Darkoh); 44, 1977, 12–22.

## AFRICA AND THE ARABIAN PENINSULA

### *Agriculture*

Agricultural land use and associated problems in Rwanda (Nwafor); 48, 1979, 58–65.

Spatial variations in seasonality of cotton planting in Eastern Uganda (Hyde); 42, 1976, 28–34.

The transfer of agricultural land in the Eastern Province of Zambia (Priestley); 46, 1978, 47–60.

### *Climate*

Evaporation and evapotranspiration in Nigeria (Ayoade); 43, 1976, 9–19.

The influence of rainfall on rural population distribution in Tanzania (Nieuwolt); 44, 1977, 43–56.

New sunshine maps for Zambia (Hutchinson); 40, 1975, 32–39.

The organization of rainfall in East Africa (Hills); 47, 1978, 40–50.

### *Economic development*

Empirical and policy perspectives on Nigerian post-war urban-regional development problems (Uyang'a); 47, 1978, 75–87.

Poverty in a West African savanna area: its regional characteristics and primary components (Engmann); 42, 1976, 13–27.

The regional distribution of income in Bendel State of Nigeria (Abumere); 47, 1978, 1–12.

The role of transport in the socio-economic development of developing countries: a Ghanaian example (Addo); 48, 1979, 1–8.

Spatial variations within the sphere of influence of innovative services: an example from North-Western Ghana (Songsore); 48, 1979, 66–74.

A spatio-temporal analysis of rural markets in Kenya (Wood); 40, 1975, 63–71.

Urbanization and development problems in Rhodesia (Smout); 45, 1977, 43–51.

### *Geomorphology*

Geomorphological significance of pebble shapes along the littoral zone of Ghana (Dei); 40, 1975, 18–31.

A note on the geomorphological processes in the coastal zone of Nigeria (Adejuwon); 40, 1975, 1–7.

### *Land utilization*

Agricultural land use and associated problems in Rwanda (Nwafor); 48, 1979, 58–65.

### *Medical geography*

Food habits and nutritional status in Southern Nigeria (Uyanga); 49, 1979, 86–91.

Probability mapping of the 1975 Cholera epidemic in Kisumu District, Kenya (Ferguson); 44, 1977, 23–32.

Schistosomiasis in Africa: an ecological perspective (Kloos & Thompson); 48, 1979, 31–46.

### *Population and settlement*

Poverty in a West African savanna area: its regional characteristics and primary components (Engmann); 42, 1976, 13–27.

Relationship between population density and agricultural systems in the Uluguru Mountains, Tanzania (Datoo); 42, 1976, 1–12.

### *Transport and communications*

The geographical mobility of a rural Arab population: some implications of changing patterns (Birks); 48, 1979, 9–18.

The role of transport in the socio-economic development of developing countries: a Ghanaian example (Addo); 48, 1979, 1–8.

A spatio-temporal analysis of rural markets in Kenya (Wood); 40, 1975, 63–71.

*Urban geography*

The evolution and spatial structure of house types in the traditional Nigerian city: a Benin example (Onokerhoraye); 45, 1977, 34-42.

Residential growth in Ibadan, 1966-1972 (Aronson); 40, 1975, 8-17.

Spatial variations within the sphere of influence of innovative services: an example from North-Western Ghana (Songsore); 48, 1979, 66-74.

Urbanization and development problems in Rhodesia (Smout); 45, 1977, 43-51.

## AMERICA, TROPICAL

*Agriculture*

Kitchen gardens in the West Indies, with a contemporary study from Grenada (Brierley); 43, 1976, 30-40.

The raising of beef in Central America and Panama (Miller); 41, 1975, 59-69.

Sugar production potential in Barbados (Smith); 42, 1976, 59-77.

*Economic development*

The dependency model applied to a Mexican tropical frontier region (Vogeler); 43, 1976, 63-68.

Geographical variation within the tourist trade of the Caribbean (Pollard); 43, 1976, 49-62.

Puerto Rican economic growth: estimation of a time series model in the presence of multicollinearity (Tata); 45, 1977, 58-64.

*Geomorphology*

Slope runoff and denudation in the Rupununi savanna, Guyana (Kesel); 44, 1977, 33-42.

Suspended sediment in a tropical environment of seasonal flow and large floods: Hope River, Jamaica (Wood); 45, 1977, 65-69.

*Land utilization*

Speculative subdivision land values in Puna, Hawaii (Stephenson & Matsunami); 45, 1977, 52-57.

*Population and settlement*

Inferences concerning intermunicipio migrations in Puerto Rico: 1955-1960 (Boswell); 45, 1977, 1-11.

Motivation and intra-rural migration: a case study in Mérida State, Venezuela (Eastwood); 49, 1979, 1-10.

Site development and settlement scheme failure in Guyana (Vining); 42, 1976, 86-97.

*Transport and Communications*

Geographical variation within the tourist trade of the Caribbean (Pollard); 43, 1976, 49-62.

Technological change in plantation transport systems: a Caribbean example 1930-70 (Auby); 41, 1975, 1-8.

## ASIA, EAST

*Geomorphology*

Soil erosion, suspended sediment and solute production in three Hong Kong catchments (Lam); 47, 1978, 51-62.

*Soils*

Soil erosion, suspended sediment and solute production in three Hong Kong catchments (Lam); 47, 1978, 51-62.

## ASIA, SOUTH

*Agriculture*

Appropriate technology and labour supply in rural India (Allan); 43, 1976, 1-8.

*Geomorphology*

Areal variations in textures of shore sands, Sri Lanka (Swan); 49, 1979, 72-85.

*Hydrology*

Water balance types and water resource development in the dry zone of Sri Lanka (Sirinanda); 49, 1979, 55-71.

*Population and settlement*

Settlement patterns and migrations among Nilgiri herders, South India (Noble); 44, 1977, 57-70.

ASIA, SOUTHEAST  
(excluding Malaysia and Singapore)

*Agriculture*

Some economic aspects of the livestock industry in the highlands of North Thailand (Falvey); 49, 1979, 11-18.

*Biogeography*

The origin of tropical grasslands in Kalimantan, Indonesia (Seavoy); 40, 1975, 48-52.

*Economic development*

Internal migration and regional development planning: Thailand, the Philippines, Indonesia (Cummings); 41, 1975, 16-27.

*Land utilization*

Settlement and environment in Northeast Thailand (Dixon); 46, 1978, 1-10.

*Political geography*

Supranationalism in Southeast Asia: the case of ASEAN (Lee); 46, 1978, 27-36.

*Population and settlement*

Chain migration to the primate city: the case of Bangkok (Sternstein); 41, 1975, 70-74.

The costs of resettling reservoir evacuees in Northeast Thailand (Lightfoot); 47, 1978, 63-74.

Internal migration and regional development planning: Thailand, the Philippines, Indonesia (Cummings); 41, 1975, 16-27.

Inter-village differences in out-migration in West Sumatra (Maude); 49, 1979, 41-54.

Philippine Muslim population change, 1960 to 1970 (Ulack); 48, 1979, 75-84.

Planning reservoir-related resettlement programmes in Northeast Thailand (Lightfoot); 48, 1979, 47-57.

*Urban geography*

Chain migration to the primate city: the case of Bangkok (Sternstein); 41, 1975, 70-74.

Hawkers and vendors: dualism in Southeast Asia (Yeung); 44, 1977, 81-86.

Intra-urban variation in *Kampung* settlements of Jakarta: a structural analysis (Krausse); 46, 1978, 11-26.

Urbanization concepts in the restructuring of Indonesia (McTaggart & Stormont); 41, 1975, 34-44.

**MALAYSIA**

*Agriculture*

Spatial patterns of agricultural expansion in Semenyih and Ulu Semenyih *Mukims*, Selangor (Voon); 43, 1976, 69-83.

*Biogeography*

An ecological comparison of two tropical high mountains (Smith); 44, 1977, 71-80.

*Climatology*

Equatorial easterlies and rainfall in Peninsular Malaysia during March and April 1974 (Cheang); 44, 1977, 1-11.

Further studies on drought in Sarawak, East Malaysia (Baillie); 43, 1976, 20-29.

*Geomorphology*

Identifying hillslope response units: a case study of a small catchment in Peninsular Malaysia (Morgan); 46, 1978, 37-46.

Piping as an erosion process in the uplands of Sarawak (Baillie); 41, 1975, 9-15.

*Land utilization*

Spatial patterns of agricultural expansion in Semenyih and Ulu Semenyih *Mukims*, Selangor (Voon); 43, 1976, 69-83.

*Political geography*

Rivers as international boundaries: the case of the Sungai Golok, Malaysia-Thailand (Rachagan & Dorall); 42, 1976, 47-58.

*Population and settlement*

Internal migrants in Peninsular Malaysia (Pryor); 46, 1978, 61-75.

Social adjustments in a planned village in Malaysia (Dixon); 47, 1978, 31-39.

A spatial study of Peninsular Malaysia's sex composition, 1921-1970 (Sidhu); 46, 1978, 76-85.

*Soils*

Identifying hillslope response units: a case study of a small catchment in Peninsular Malaysia (Morgan); 46, 1978, 37-46.

*Transport and communications*

Urban core regions and transport development: the case of Peninsular Malaysia (Leinbach); 49, 1979, 34-40.

*Urban geography*

Functional diversity at the base of the urban system in Peninsular Malaysia (Cohen, English & Brookfield); 45, 1977, 12-25.

Patterns of urban residential segregation: the case of Kuala Lumpur (Lee); 43, 1976, 41-48.

Some aspects of the health environments of squatters and rehoused squatters in Kuala Lumpur, Malaysia (Meade & Wegelin); 41, 1975, 45-58.

Urban squatters and unconventional housing in Peninsular Malaysia (Johnstone); 49, 1979, 19-33.

Urbanization and the urban population in Peninsular Malaysia, 1970 (Ooi); 40, 1975, 40-47.

## SINGAPORE

*Biogeography*

The vegetation map of Singapore: a first approximation (Hill); 45, 1977, 26-33.

*Population and settlement*

Changes in the distribution of the population of

Singapore, 1957-1970 (Tan); 40, 1975, 53-62.

*Urban geography*

Spatial pattern of residential moves in an Asian city: the Singapore experience (Teo); 46, 1978, 86-94.

## PACIFIC, SOUTHWEST

*Agriculture*

The beef cattle industry in Papua New Guinea (Johnson); 42, 1976, 35-46.

*Biogeography*

An ecological comparison of two tropical high mountains (Smith); 44, 1977, 71-80.

Unvegetated saline tidal flats in North Queensland (Spenceley); 42, 1976, 78-85.

*Climatology*

Aspects of the precipitation characteristics of the New Guinea Mountains (Barry); 47, 1978, 13-30.

Evaporation in Papua New Guinea (Keig, Fleming & McAlpine); 48, 1979, 19-30.

*Geomorphology*

Unvegetated saline tidal flats in North Queensland (Spenceley); 42, 1976, 78-85.

*Urban geography*

Changing patterns of urban growth in Papua New Guinea (Jackson); 41, 1975, 28-33.
